Kia ora koutou,

Here is the last newsletter of the term, and my last piece as Acting Principal. I want to thank you, our wonderful community, for all your support throughout this term. It has been busy and jam packed, but there have been moments where I've been able to pause and see our amazing tamariki, fantastic staff, supportive families and steadfast board, and appreciate the hard work that everyone has put into making this term successful. It truly is a team effort, each and every person makes this happen.

Assembly Friday 2:15pm

We would like to invite you to our end of term assembly tomorrow, where we are farewelling some special people. Please join us to celebrate their time at Tua Marina and send them on to their next adventures! You are invited to join us for afternoon tea after Assembly.

Working Bee April 22nd

We are building a new compound around the caretakers shed. With Phill's knee injury, we'd appreciate some help in clearing the area in preparation for the construction. If you can spare a couple of hours on Thursday 22nd April from 9am to help, we'd really appreciate it. It's mainly clearing branches, trees and a general tidy up. If you're able to bring a trailer (since we are without a trailer at the moment!) to take a load to Blenheim Waste Centre, that'd be great! Some morning tea will be provided.

Monday Week 1

As is the norm in schools, we're always looking to the upcoming events! On Monday (3rd May), we will be having a special assembly starting at 9:15 to welcome Bradley Roberts and Emily Morris to our team. You are invited to join us for this assembly and a shared morning tea afterwards.

That's all for now, I look forward to seeing you at Assembly tomorrow afternoon. Have a wonderful couple of weeks and I'll see you in Term 2!

Ngā mihi nui

Emily

KIWI CAN CORNER

Respect *Whakaute*

Means treating people, things and places as important.

The Kiwi Can Corner

In Kiwi Can this week we are learning more about showing *respect for our environment*. Our younger students will be practicing caring for our environment. Older Kiwi Can kids will be exploring ways to make a positive impact and communicating their ideas.

Some conversation starters for this week:

- ★ If your little brother or sister or younger friend wanted to know what respect for the environment is all about (and why it matters) - what would you say?
- ★ Why is it important to show respect and compassion for animals and their environment?
- ★ Who have you seen showing leadership (or a being good role model) in caring for our environment? What impact did that have on others?
- ★ What have you done this week that helps make a positive impact? Is there something else you can think of that you'd like to try too?
