

WEEK 1, TERM 3 -
21 JULY 2023

Marlborough Youth Council - Rarangi Basketball Half Court Project

On Wednesday, seniors Daniel Baker and Quinn Verran attended a meeting of the Marlborough Youth Council. They (and two previous students) are trying to secure support for a basketball half court in Rarangi for our tamariki to practice their skills. After presenting to the Youth Council the boys had a meeting with Heather Graham MDC Small Townships who wanted more information about their project. They have been asked to get more feedback from the community so if you have an opinion on a basketball half court in Rarangi please speak to Daniel or Quinn.

House Relays - Celebrating Matariki

On a lovely sunny Tuesday afternoon we celebrated our Matariki day by running senior and junior house relays. Well done to all the captains who were super organised and the houses who used their new house flags to cheer their teams. Congratulations to Kakariki team who won both relays and thank you for the awesome sportsmanship shown by all the runners.

TĪ KŌUKA

Year 0-2 Caroline Abbott & Emily Morris

Kia ora Tī Kōuka whānau,
We have had a busy week getting back into learning and our routines. We would like to say a huge welcome to three new students that are joining us in the first weeks of this term. These students are Willem Vercoe, Beau Taylor and Shelby Vincent. We also had a big announcement in our class that Emily Morris is pregnant and will be having a baby, due at the start of next year! We are very excited.

On another note, you will see information and forms regarding the ski trip that is coming up in a few weeks. This is only optional and for children in Tī Kōuka they must be accompanied by a parent or guardian adult to be able to go.

We had a wonderful morning with our Matariki celebration on Tuesday and the children really enjoyed the rotations at school doing fun things like baking biscuits, folding paper, string art and more! Thank you to all who managed to come to the beach celebration!

MANUKA

Year 3-4 Sarah Kerr

Kia ora kotou Manuka whānau,
It's been wonderful to be back, busy with Matariki learning and reconnecting with each other. Reading books came home this week but homework will start proper next week. This term we will have a focus on recording our home reading and learning some timetables. We started thinking about multiples this week by using a spirograph program.

I will be available for student conferences next week so please make a time to come and korero about your tamariki. Link for bookings are in the newsletter. We are supporting our amazing Jump Jam team by practicing Magic 2.0 everyday and I would challenge your whānau to give it a go, It's more coordination than my old brain can handle yet, but the team are being awesome tukana teina.

Manawatia a Matariki, Sarah and Lorraine.

REWAREWA

Year 5-6 Julian Mason

Kia ora e te whānau,

Welcome back. Week one has flown by. Rewarewa Class welcomed a new student, Hugo, on Monday and then got back to the business of learning. This included our Matariki celebration day on Tuesday by working on different projects in their house groups. It is always great to watch our senior students supporting the juniors.

Everyone has been busy writing a recount of their holiday, practising their spelling, learning to use paragraphs, working on patterns in maths and developing their board game. We even had time to share some reading and a game with our buddy class.

An extra mention goes out to our hockey players, basketballers and Jump Jam team who have all put in extra work this week to follow their passion. Me whakapau kaha! Have a great weekend - Julian

KOWHAI

Year 7-8 Aaron Harrison

Kia ora e te Whānau,

Welcome back to the new term here at Tua Marina. It is great to see everyone back rested, bright eyed and ready to learn. We have two new students that have joined our class the last week of term 2 and Monday this week. A very big WELCOME to Mckenzie and Tom.

Kōwhai has had a wonderful start to the term. Everyone really enjoyed the Matariki celebrations that we had on Tuesday morning at Rarangi beach. Kōwhai class made lanterns, for the Matariki morning, with little tea lights inside. It was nice to see a few come along and add some light to the morning celebrations.

Scholastic book club has gone out this week, have a look there are some great books in this issue.

Please remember Technology for Kōwhai is coming up in week three of the term. It will be running for the standard 4 weeks, with the last day on the 21st of August. Please check the parent calendar if you are not sure.

Have a good weekend.

Ngā mihi - Mr H

Congratulations for our Kiwi Can Winners of the week

Ti Kouka Group 1 - Sayla Eaton
Ti Kouka Group 2- Tamaki Johnson
Manuka - Reid Comeskey

Positive Relationships
Whakawhanaungatanga
Means working and playing in safe and thoughtful ways with others.

THE KIWI CAN CORNER

Positive Relationships / Whakawhanaungatanga

Kiwi Can is underway again and this term it's all about positive relationships – or “working together and playing in safe and thoughtful ways with others”.

We'll be working on these 3 modules this time around:

- ★ **Fairness + Fair Play** – Fairness and fair play is about playing by the rules, and how we share our ideas with each other.
- ★ **Conflict Resolution** – Conflict resolution is about how we solve problems between people.
- ★ **Leadership** – Leadership is about supporting others and helping everyone to work together effectively.

How about talking with your children about *positive relationships*? What does it mean to your family?

What do ideas of *fair play*, *conflict resolution* and *leadership* mean to you? How do they play out in your family?

Follow @GraemeDingleFoundationMarlborough to stay up to date

Term 3 Bus Changes

If your child/ren catch one of the school buses, can you please reach out to Amy in the office (either by phone or email) and notify her of any changes to days your children will be going on the bus for term 3.

Absences/Late for School

A gentle reminder that If your child/ren are not going to be at school to please notify Amy in the office, either through Hero, by calling the office phone, or via email/text.

Similarly, please ensure that if your child/ren are late, that they are signed in at the office, not just dropped to class as Amy does need to update the attendance.

Assemblies & Whanau Time

This term, assembly will be held on even weeks; week 2,4,6,8 and 10. Whānau time will be held on odd weeks; week 1, 3, 5, 7, and 9. These start at 2:30pm on a Friday.

Ski Trip - Friday 18 August

Please keep reading for information on our ski trip coming up next month. Please follow the link below, and fill out the google form.

https://docs.google.com/forms/d/e/IFAIpQLSeKeCfaR_9SWP3ixWjpNE8IjGGLMETsGY9BcmST-VFaJPcLOA/viewform?usp=sf_link

House Points

Whero	Kahurangi	Kakariki
393	359	479

Do you have a booster seat you don't need?

Tua Marina School are on the hunt for 5x booster seats to ensure the safety of our tamariki when travelling to meet the bus, and for emergency use.

If you have a car seat that you no longer require (that is still within it's expiry date) we would love to take it off your hands, with many thanks. Please reach out to Amy in the office.

Learning Conferences

Have you booked learning conferences for your tamariki?

Please use the following link to book your appointment.

TECH EXPO

SEP 13 | 2023
45 MCLAUCHLAN ST
3.30 - 6.00pm

We would like to invite Whānau and the community to come and celebrate the success of our students. The aim of the expo will be to showcase student learning in a interactive setting to an authentic audience. Our doors are open between 3.30pm - 6.00pm please stop by at any time.

We look forward to seeing you there!

Te Whare Wānanga
Hangarau o Te Wairau

It Is great to see everyone back after a (hopefully) restful break!

We had a beautiful time celebrating Matariki on Tuesday morning; sharing kai and a couple of waiata.

Rainbow Ski Trip
Friday 18 August 2021
(No Postponement Day)

20 June 2023

Kia ora e te whanau,

Our annual ski trip day has been booked and it's time to start getting organised! Rainbow ski field needs our approximate numbers ASAP, so please complete the attached form indicating your wishes no later than **Wednesday 25 June**.

This trip is voluntary to attend. If you do not wish for your child to attend they will need to come to school for the day.

All Year 0 - 2 students who attend **must be accompanied by a caregiver**.

The cost will be \$60 per child for the total package consisting of a lift pass, equipment rental and a 90 minute lesson. There will be cheaper options if they already have their own equipment or lift pass. Every child that attends must attend a lesson on the day. Parent helper day passes will also be available for \$105 which includes a lift pass, and equipment rental. Please note that clothing, wrist guards and goggles are **not** part of the rental package.

There will also be a charge of \$18pp for a return trip on the shuttle up the mountain. We are hoping we can get lots of parent helpers with suitable vehicles/chains to help with transport on the day.

There is a link in the 21 July newsletter that gathers information about the ski trip. Please complete this by Wednesday 25 June 2023.

Nga mihi nui,

TMS Staff
