## THE KIWI CAN CORNER

Positive Relationships / Whakawhanaungatanga

### Positive Communication

Our Kiwi Can juniors have been exploring how we can speak positively with others, and our older tamariki are also developing understanding about how to give and receive compliments.

Some conversation starters for this week:

- ★ What are some ways we can demonstrate positive communication?
- ★ How does it make you feel when someone gives you praise or a compliment? Why do you think some people get embarrassed giving or receiving compliments?
- ★ What's the nicest compliment you've received? What made it so meaningful?
- ★ Can you tell me about a time this week when you've worked or played with others in a really positive way?

*Whakawhanaungatanga*  
 Means working and playing in safe and thoughtful ways with others.
