

WEEK 5, TERM 3 -
18 AUGUST 2023

PRINCIPALS KORERO

Tēnā koutou,

Woohoo, it's ski day! It has been so special seeing so much fun, learning and growth up the mountain here today.

There are going to be a few tired but content bodies tonight, same for the students too. A huge thanks to all the parents involved from the early morning start and dropoff/pickup, to transporting their own and/or other children and generally looking after each other, the students and the staff over the day. Also, to Whaia Sarah Kerr we offer an especially big thank you for all the time and effort ensuring everyone had their needs thought about and planned for, you've enabled so many people to have such an amazing day.

This week and next week are our collection weeks for grocery items for the fair. It's great to see those boxes filling up in the classrooms. Thank you to those that have donated this week and in anticipation of those that are donating next week. Through efforts like this, our community are setting themselves up for a brilliant event come next term.

If you are coming and going from the small gate towards the container on the railroad side of the school can you please make sure that the gate is closing behind you. Thanks team, working together we can keep making sure our place is a healthy and happy community where every learner succeeds.

Memo from the Library

A big shout out to the amazing librarians giving up their break time to be in the library and donating books for our tamariki....*YOU ARE SUPER STARS!*

If there is anyone in the community that would like to donate any spare Hunting or Fishing magazines, we would love to have them for our library, thank you. They are well loved.

A quick reminder that our Pets Day is coming up fast, along with the Pests competition.

Conflict Resolution

This week we're practising using different strategies to manage conflict. "It's cool to korero". Here are some conversation starters for this week:

- ★ Juniors have been talking about using our "WITS" as possible conflict resolution strategies. Can they tell you what "WITS" stand for? (Walk away, Ignore, Talk it out, Seek help ☺)
- ★ How many different ways can you think of to help manage or solve a conflict?
- ★ What are some things people do that make a conflict *bigger* (instead of helping resolve it)?
- ★ Imagine you are playing a game in Kiwi Can and someone in your class said they got you 'out' - but they didn't! Which strategy could you use to solve the conflict?
