Whaea Sarah did some amazing work with everyone on Tuamarino Day - making beautiful kowhaiwhai with all of the tamariki, based around our school values.

These are now adorning one of the walls in the office, please pop in and have a look at how beautiful it is now looking!

		Music Festival Performance			
	Maori Language Week	Maori Language Week	Maori Language Week	Maori Language Week	Maori Language Week
Week 10 23 - 27 SEPT					End of Term 3

# Ti Kōuka

Leah Waddington - Year 0 - I

In Ti Kouka last week we have had Mrs Roughton teaching while Leah is away. In math we have been focusing on numbers to 20 and 100. Our writing focus has been writing two sentences and everyone has done well with this. We also did koru art with Whaea Sarah.

This week we have been working hard with our learning. On Wednesday Mrs Vercoe was in Ti Kōuka and we made some beautiful Matariki stars, glitter included! On Thursday we buddied up with the older tamariki in Kōwhai and did lots of different fun activities; including making jumping oragami frogs, and doing some buddy reading!

Today is our party day to celebrate a great term! We had a dance party to start us off.

**Student of the Week :**  
Willem Vercoe  
**Classmate of the Term :**  
Elka Burdon  
**Congratulations!**

# Makomako

Caroline Abbott - Year 2 - 3

Kia ora Makomako whānau,

Week 10

We have managed to get through the final week of term with plenty of smiles. There are definitely lots of tired tamariki who are in need of the holiday break. I hope everyone has a wonderful, safe, restful time,

Term 3

For the first 2 weeks of next term Maree will be teaching in Makomako, whilst I am away in the UK. Maree has taught in my class many times and so the class knows her well and she knows them, and our class and school routines.

Ngā mihi, Caroline

**Student of the Week :**  
**Meia Miller**

**Classmate of the Term :**  
**Tamaki Johnson**  
**Belle Jacobson**

**Congratulations!**

# Manuka

**Sarah Kerr - Year 4**

Kia ora e te whanau,

Whew! What a lot of mahi, learning and laughs we have had this term. Looking at the team I think we are well due for a break. Thank you everyone for your help, especially our amazing Amy in the office, Lorraine, Kate, Rebekah, Fi Walker, Nikki and Ingrid ( RtLit).

Thinking ahead to next term, Kat MacDonald will be working in Manuka class on Thursday afternoons preparing our Science Fair entry and Whaea Maryn will be teaching for 4 full days.

Along with reports, I have sent holiday homework with some students. Should you like some extra academic practice over the holidays I will be at school on Monday and can sort something out. Please email me over the weekend.

Nga mihi team Manuka and Whaea Sarah

**Student of the Week :**

**Archie Barlow**

**Classmate of the Term**

**Matty Jacobson**

**Congratulations!**

# Rewarewa

Julian Mason - Year 5 - 6

Kia ora e te whānau,

Week 10 has been about finishing some things off so we are all set for Term 3. Our mosaics look great (and will be on our walls to view), we did some great work with decimals in maths and we made an amazing poster to say thank you to the Kārearea Falcon Trust.

During the term the students have worked with Whaea Maryn in Kawakawa Class learning about healthy food, and recently traditional foods from around the world. They had to find information about two countries and compare them. I know that Maryn has decided to extend this a bit into the next term to continue to build on the learning so far.

It has been a crazy term. Battling through illnesses and mixing in lots of interesting activities. I hope you have time for a break and some whānau time over the next two weeks.  
Have a great break - Julian

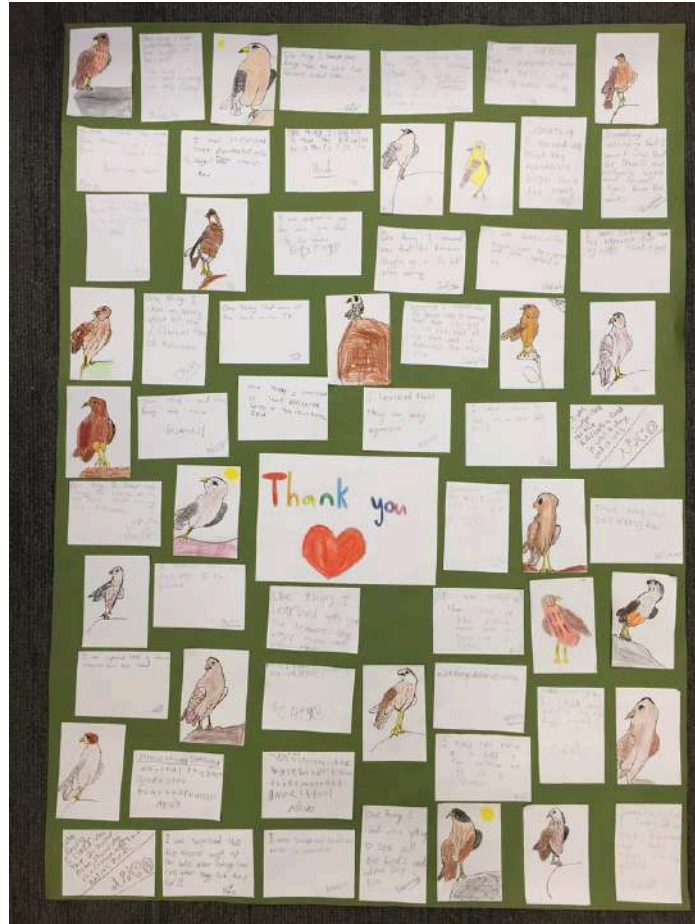

**Student of the Week :**

**Nico Franken**

**Classmate of the Term :**

**Alivia McGhie**

**Congratulations!**

# Kowhai

**Aaron Harrison - Year 7 - 8**

This week in kōwhai we have been busy preparing for the end of term assembly and celebrating Matariki in class.

The kids have been working hard on their Science fair and also their Evolocity projects. Nic Cowdrey has been amazing and brought in for the kids an old go kart. The students will use the ideas from this to build their steering systems and work out how the frames of each kart will be put together.

The students have also been getting ready for the end of term assembly, compiling the slides and writing their scripts. Thursday Ti Kouka was without a teacher, so the students from Kōwhai stepped up and planned a whole day of activities that kept the younger students entertained all day. With a mix of origami, drawing, reading, and writing the kids in Ti Kouka have truly enjoyed themselves.

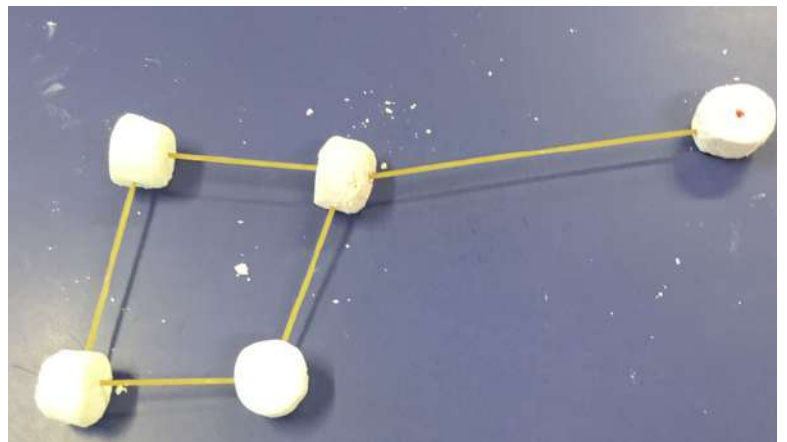

## Reminders:

Next term starts back on the 22nd of July.

Tuesday the 23rd of July we will be having TECH, please remind the kids to wear their shirts.

Monday the 29th of July the year 8 boys will be meeting with Matua John at 11.30am. Family and Whānau are most welcome to come and join in. A HERO post has gone out.

Have a safe and enjoyable holiday, take care on the roads- From Mr H.

**Student of the Week :**  
**Addison MacDougall-**  
**Woodmore**

**Classmate of the Term :**  
**Abigail West-Barber**

**Congratulations!**
